

CHILDREN PLAY AND LEARN ON A REAL FARM

\*\*\*Afterschool - school age Classes:

## YOUNG EXPLORERS

Ages: Children in grades K-2

Dates: Mondays, April 30, May 7, 14 and 21, 2018

Time: 4-6pm      Fee: \$95

This class is similar to the popular week long summer camp, Nature on the Farm. Young Explorers will focus on a different environment and terrain each week. From forests to fields, to ponds, we will discover and learn about various living and growing features on the Farm.

In addition to exploring the natural world around us, we will do hands on farm activities such as daily chores, horseback riding and gardening.

## FROM BAA TO BLANKET

Ages: Children in grades K-2

Dates: Tuesdays, May 1, 8, 15, and 22, 2018

Time: 4-6pm      Fee: \$95

Similar to our popular summer class – Wool on the Farm, children will observe sheep shearing the first day and experience hands on activities every day including, carding, dyeing, spinning, and fun weaving projects.

Each day will focus on a wool activity as well as daily farm chores, horseback riding, and hikes to explore new areas of the farm.
